

Academy Parents,

December 11-15 is production week for The Nutcracker. Below is an abbreviated schedule for that week. We understand that many of you are not involved in this production. We try our best to have at least one level of each type of dance during theatre week. A few of the class times have also been changed for this week. If your child's class does not meet during this week, you can make up any time that is convenient for you in January. Please remember that after December 15, we will be closed for Christmas break.

Have a Merry Christmas.

Sincerely,
WAB Faculty and Staff

Monday
