

COVID-19 Guidelines

- ◆ Safety is our priority! We are following CDC guidelines.
- ◆ Everyone entering the building is screened for COVID-19. Anyone with a temperature of 100° or above will not be allowed to stay for class. You must be fever free for 24 hours before returning to the building.
- ◆ Everyone entering the building must wear a mask and sanitize their hands.
- ◆ Dancers need to arrive early and ready for class (hair done and dressed before entering the building) to allow time for screening so we may begin classes on time.
- ◆ Our lobby is only open for business transactions. (no waiting inside)
- ◆ The staff is following protocols for cleaning including bars, floors, and mats, and common areas.
- ◆ To reduce congestion in the parking lot – please remember that there is one way in and one way out. ENTER the parking lot from the EAST entrance (closest to Buckets) and EXIT the parking lot from the WEST exit (closest to 47th Street) or park on the side of the building. There is NO PARKING on the grassy areas in the front. If there is no parking please drive around the block until there is a spot to park.
- ◆ Prepare your young dancers that they may have to wait a few minutes for pickup
- ◆ If a household member is being tested for COVID-19 due to symptoms, we ask that your dancer not attend in-person classes until the household member has received a negative test result. Your dancer may take class by Zoom during this time or they may make up the missed class(es) at a later date. You can get the Zoom code for your class by contacting the studio.
- ◆ Please be patient with us while we work out this new process of returning to dance.
